- We will need up to one week after your payment to prepare your class and a teacher.
- We can prepare a make-up lesson if you cancel your lesson by e-mail before 15:30 (Japan time) the day before (weekday) your lesson.
- The make-up lessons have to be scheduled within the course period.
- If you have signed up through the friend introduction discount, the group of friends have to study together following the same schedule and make the cancelations and make-up lesson reservations together.
